Letter of honour

to

Mr. Przybylski

The product and the success of a company is primarily depending on the activities of each member of this team.

We realise our high goals in form of playing a game. These goals only can be achieved with team members, who have a highly motivated attitude with regard to team work and excellent commitment.

By his exemplary commitment and his sense of responsibility with regard to our cooperation, Mr. Przybylski contributed to a considerable extent to the great success, which we achieved by winning our game in the first half of this year.

We would like to express our warmest thanks and high appreciation to Mr. Przybylski for his personal commitment.
